DEDICATION

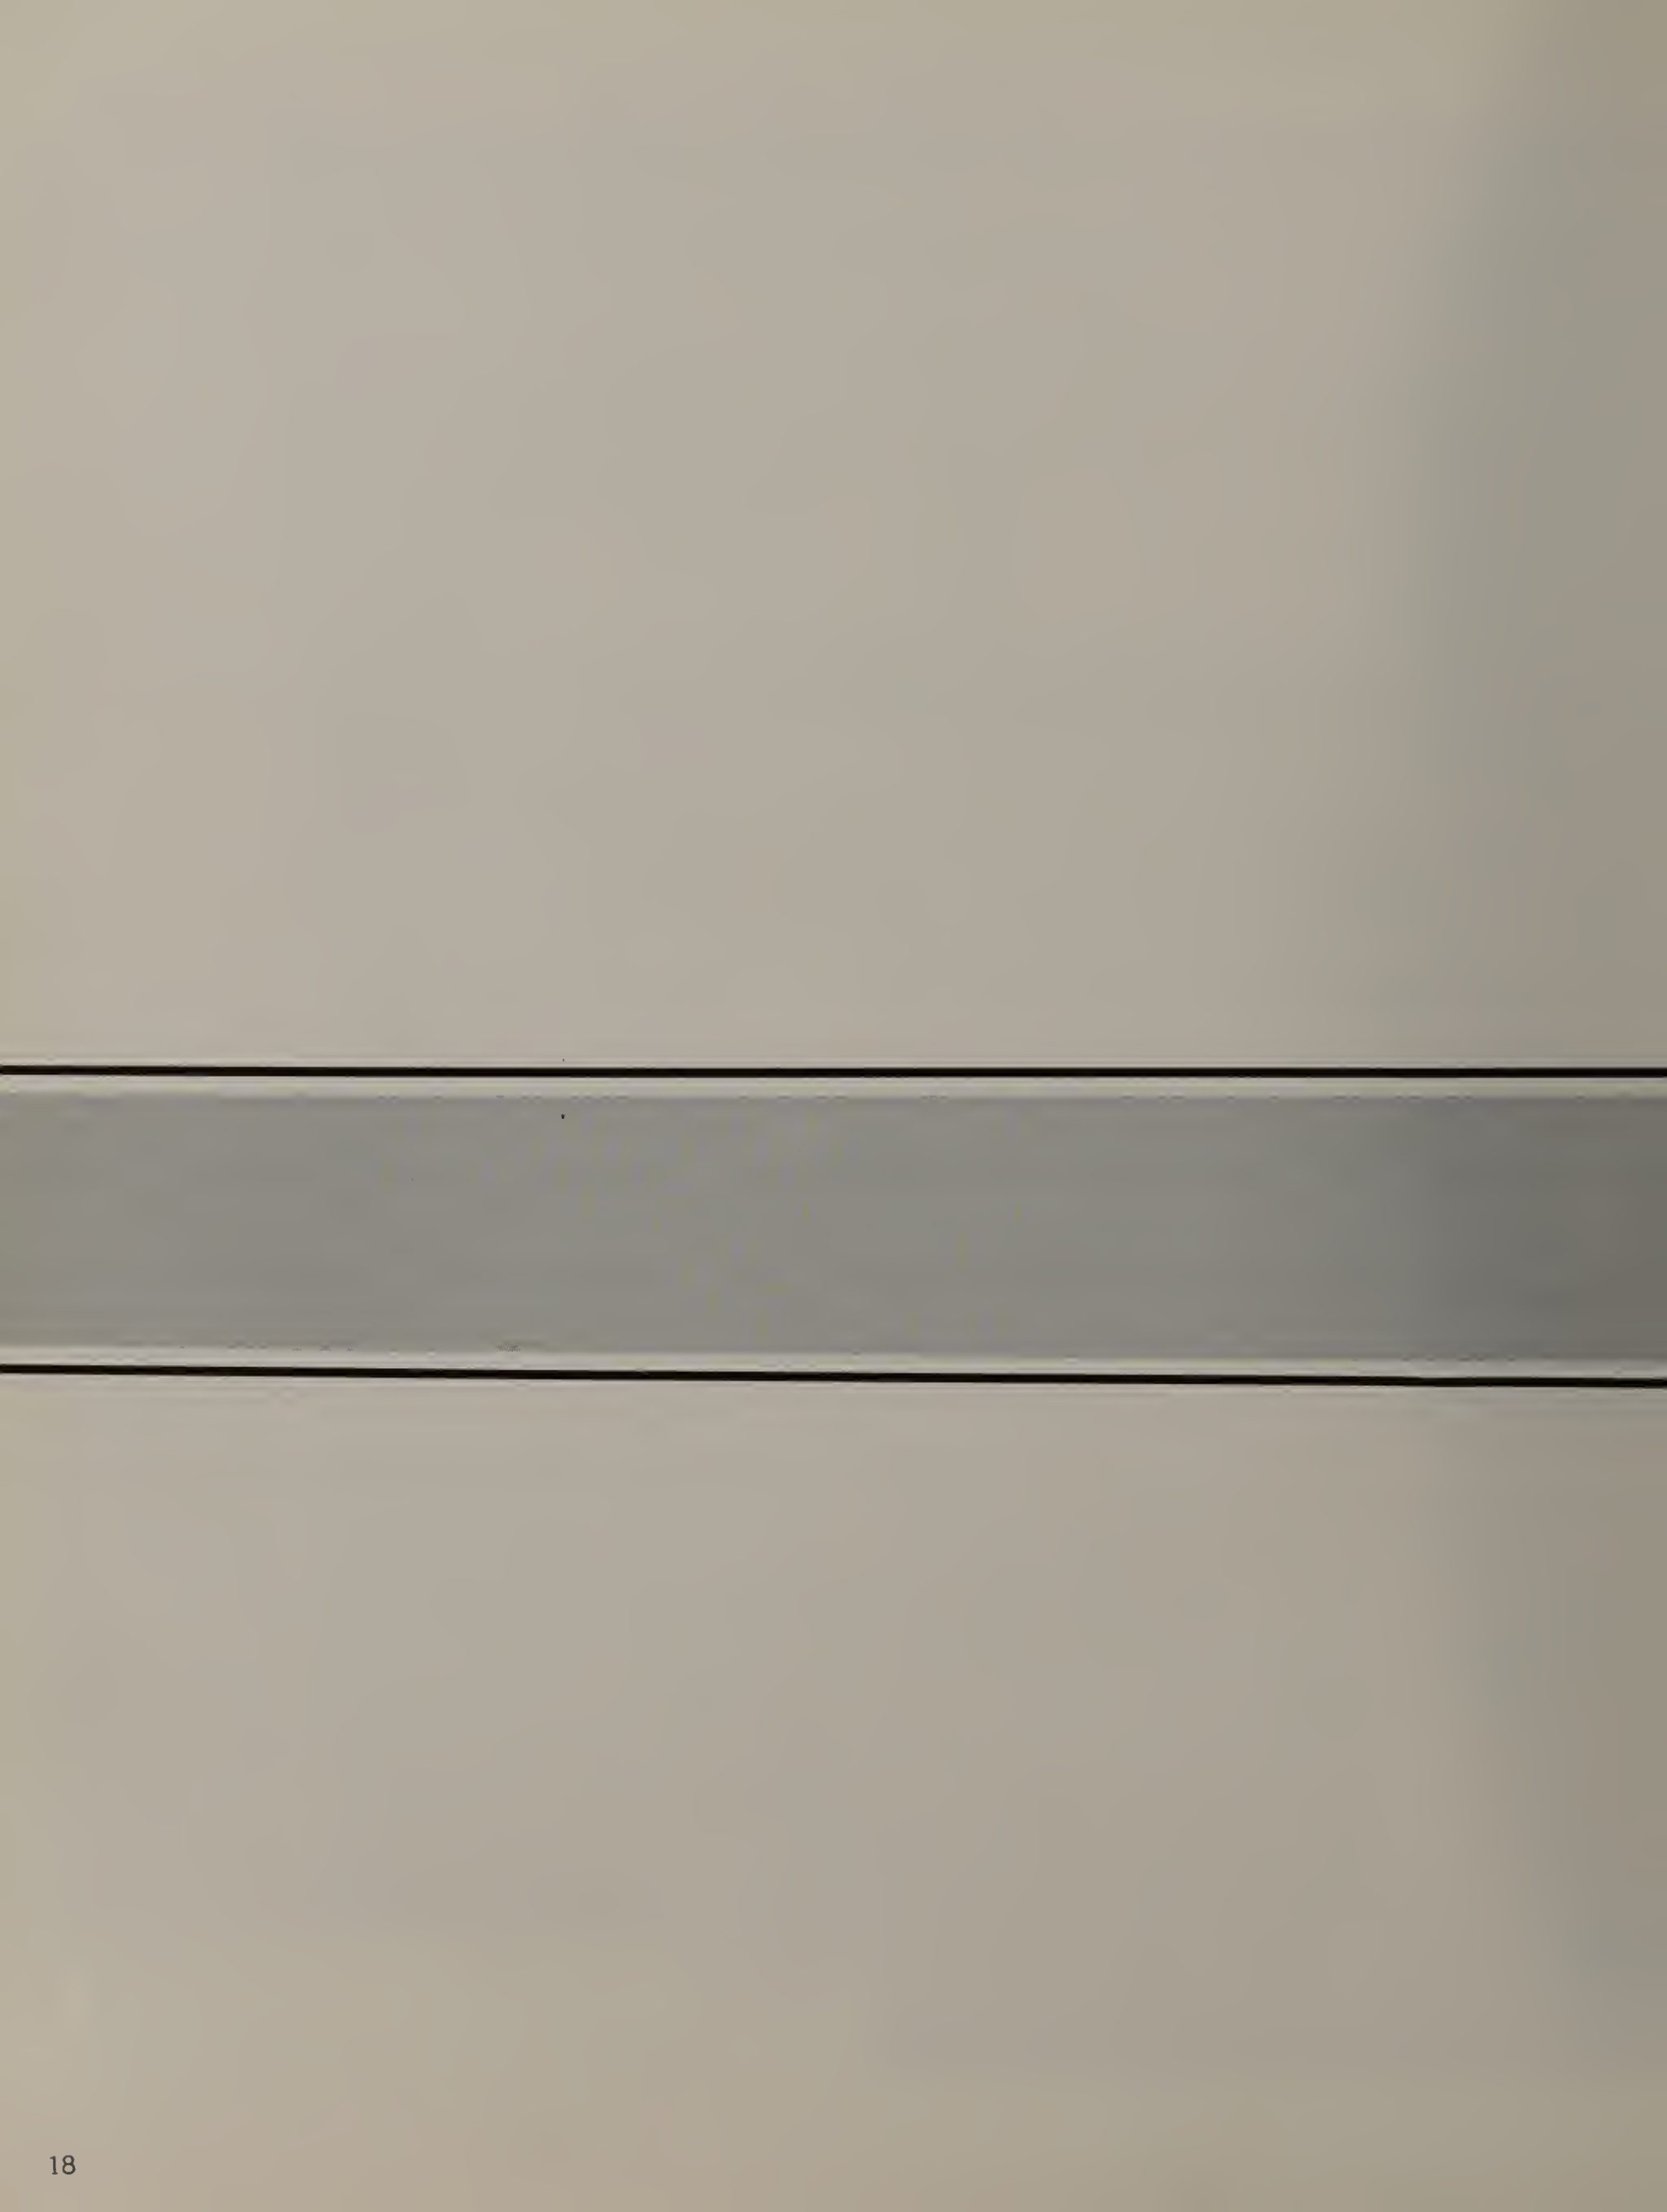

We, the Class of 1989, as our way of saying thanks, wish to dedicate our yearbook to a person who has given us countless hours of help and advice during our years at Woburn High.

You have worked untiringly and diligently to see that our educational and social experience has been both beneficial and enjoyable. The personable manner in which you have helped us has conveyed to the Class a spirit of optimism and good humor. Our experience here at Woburn High has been greatly enriched by our association with you.

FOREVER FRIENDS

It's hard to say good-bye,
It's hard to lose the past,
But hopefully we'll keep in touch,
And the memories will always last.

We've been through alot,
Both thick and thin,
We known each other,
Both outside and in.

For love, life, and laughter;
We've shared through all the years,
We've lifted each others spirits,
We stopped each others tears.

So you know how hard this is to say,
Because I really don't know how,
It's not good-bye forever,
It's just so long for now.

So when you're marching down that aisle,
Just remember this my friends,
Memories last forever,
And true friendship never ends.

SOCCER CHEERLEADERS

Our Soccer Cheering team had an outstanding year. They defended their title by winning, for the 2nd year in a row, the Fall Varsity Northern Area Cheering Competition held in Beverly. A lot of hard work went into their routines but it was well worth it. The girls had a lot of fun and were very supportive of their soccer team.

They also hosted the Winchester cheerleaders at a dinner prior to the Thanksgiving Day game.

FACULTY

SUPERINTENDENT — ADMINISTRATION

To the Graduates in the Class of 1989,

My thoughts and prayers are with you and your families on this major milestone in your lives as you graduate from Woburn High School.

Certainly, upon graduation many graduates are naturally scared about the future with many of you leaving the safe surroundings of Woburn High School. For many of you entering colleges and businesses a considerable distance from your families, this will be even a greater change.

World War I pilot Eddie Rickenbacker commented, "Courage is doing what you're afraid to do. There can be no courage unless you're scared."

Certainly, these qualities of courage have been nurtured by your families and by your teachers.

May each of you go forth with the courage of your convictions to do what is in the best interests of your family, your city, and your country.

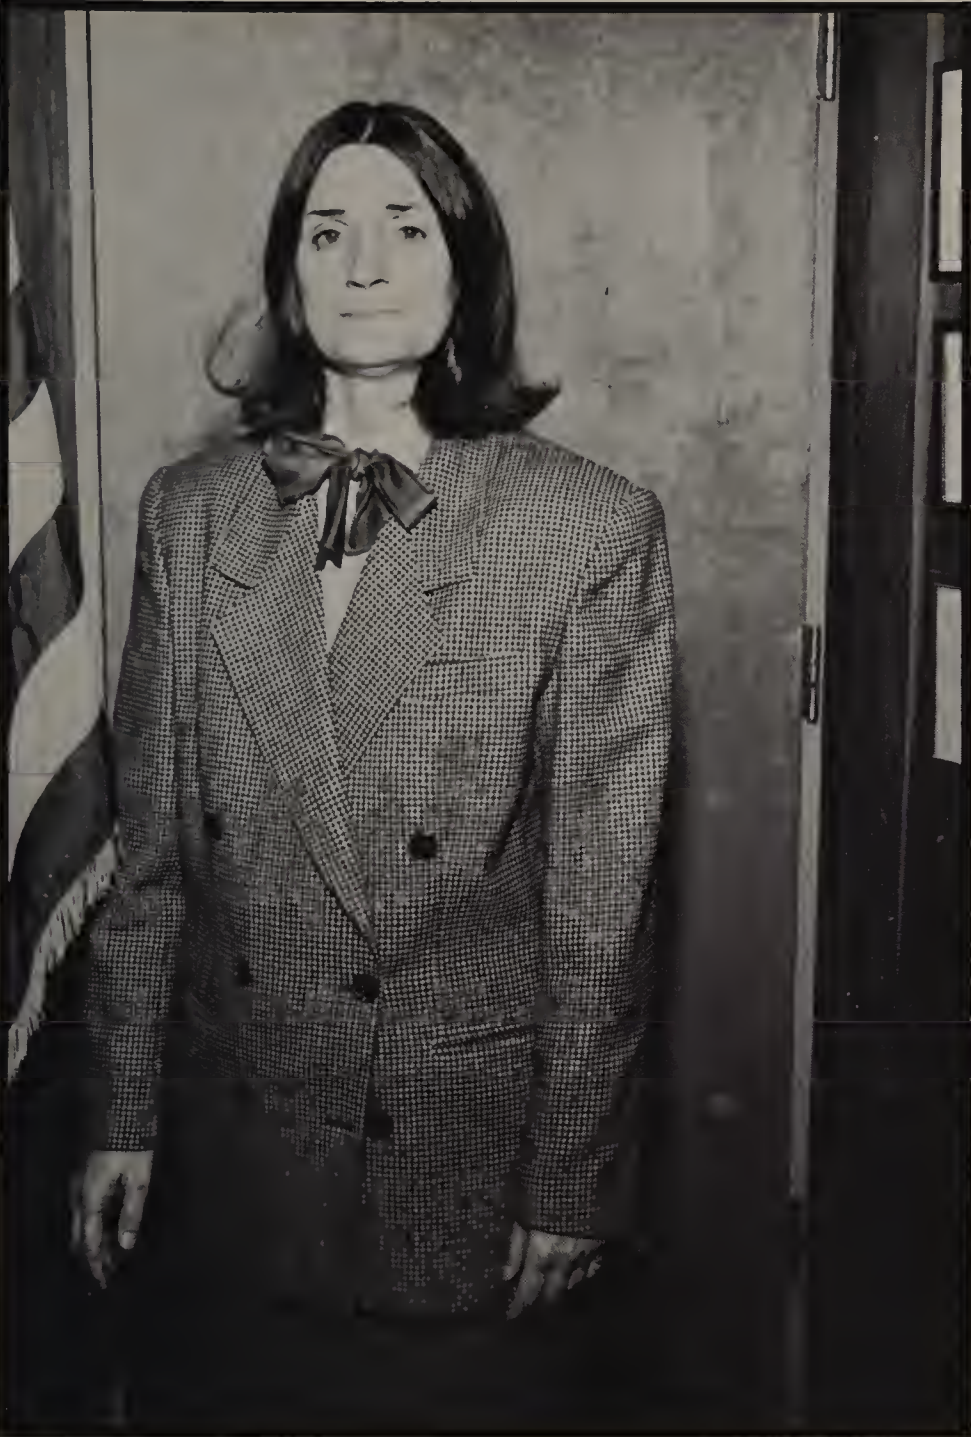

Sincerely,

Paul J. Andrews
